If you want to continue reading conflict manga stop supporting sites like mangafox, mangago, mangahere, ficcanga etc! THEY are the reason lots of manga don't get conflict anymore as the publishers had the conflict taken down. Read more about this in the hosting policy on our forum at trayal.com/coskanvndictor

A close-up of a girl with short dark hair and a boy with short dark hair. They are both looking at a large, light-colored egg that is floating between them. The girl is on the left, and the boy is on the right. The egg has some faint markings on it.

ARR,
REALLY

A wide shot of a boy and a girl standing on a sidewalk. The boy is on the left, wearing a light-colored shirt and pants, and is looking towards the right. The girl is on the right, wearing a dark dress and a hat, and is looking towards the left. They are standing in front of a building with a sign that says "MY EVERYDAY LIFE". There are some trees and bushes in the background.

We at Cookie Revolution Scans are great supporters of **body positivity**

This manga really struck a chord with me, because I feel like skinny people are often excluded from the movement. We're quick to think they must have it easy and forget that skinny-shaming is, sadly, a thing. People of all shapes and sizes have a hard time trying to get to an **unreachable image**. That's why I wanted to spread a short message of self-love to all of you beautiful people! Big, small, odd, or "just right": you all matter! (•̀ω•́)~♡

Come to the Dark Side. We have Cookies!
